

# REOPENING PLAN

We are so excited that Rooted will be back this Sunday, January 10th for kids ages 3 - 5th grade! We have missed having the kids part of our Sunday Morning experience and can't wait to have them back. Rooted will be available during the 10:30am service only and will be taking place during the sermon portion of the service. The safety of our children is a top priority. Please see how we will be running the Rooted Children's Ministry below.

## REGISTRATION

Please register your family by going to [www.alcfohio.org](http://www.alcfohio.org) each week as soon as you know you are planning to attend a Sunday morning gathering. This will help us prepare.

## SAFETY

- We will be asking all school aged children (Kindergarten - 5th grade) to wear a mask. All teachers will be wearing masks.
- For the time being, Rooted will be gathering as one large group in the main section of the church basement. By doing this, it will give us more space to space the children out while seated.
- Cleaning of the area will happen before and after the children arrive for Rooted.

## DISMISSAL & PICK UP

**Dismissal:** The kids going to Rooted will be released following the music set on Sunday mornings. The MC will come on stage, pray over the kids and dismiss them. A teacher will be by the stairs to direct them.

**Pick Up:** We ask that parents following the service, come downstairs to pick up their child(ren). After picking up the child(ren), we ask that you leave the building through the basement door so we are not creating cross traffic in their stairway.

## NURSERY

At this time, we will not be offering nursery until we get back into the swing of things with the Rooted Classes. We will announce when the nursery will be available as soon as we know. The Nurseries will be available for any parent who needs to take their child somewhere during the Sunday Morning Gathering.

## SICKNESS

If you or your child are not feeling well, we ask that you please stay home and join church online.
